### KEY FEATURES

17"-26" electronically adjustable stride length allows the user to find the stride that fits their body and workout style

Vari-Stride™ programs slowly increases stride length for greater calorie burn and works multiple muscle groups in one session

Dual-action motion provides a total body workout

Heart rate telemetry and heart rate control programming allow you to train more effectively

MyFlex™ pedal cushioning system provides a comfortable workout platform

The E821/E85 features a state-of-the-art dot matrix display with CardioAdvisor™ heart rate system. Bright LED readouts give the user valuable feedback on their workout and multiple programs provide variety so workouts never get boring.
