

SEASIDE CASUAL

MADE IN RHODE ISLAND

2018 OUTDOOR COLLECTION

Made in
the USA

COASTAL living

We are for the space where the water meets the land.
This is our sanctuary... our seaside.

Seaside Casual's outdoor collection is a balance of traditional design recreated in modern materials. The coastal communities of the eastern seaboard have molded our aesthetic, while material advancements have allowed us to create a product that can withstand the elements.

Introducing Sage

A New and Exclusive Color

A sophisticated neutral with hints of green and blue, Sage can complement or define a myriad of designs in an array of outdoor settings. The subtle hues of Sage adapt to the environment providing tonal flexibility across the warm/cool spectrum.

CARE & MAINTENANCE OF SEASIDE'S ENVIROWOOD® FURNITURE.
EnviroWood is made from an extremely high performance polymer that does not require sealing, painting or staining. It will not rot or splinter, and contains UV inhibitors that resist fading. EnviroWood is not affected by most corrosive substances, and will not absorb moisture or promote bacterial growth. To maintain EnviroWood furniture you must simply clean it regularly with soap and water (avoid pressure washing). The stainless steel fasteners used to assemble your furniture are virtually maintenance free under normal conditions. Seaside uses only the highest quality stainless fasteners to assemble furniture; however in coastal areas hardware will require regular washing or rinsing with fresh water to avoid rusting. Avoid using harsh chemicals on EnviroWood furniture. Stainless steel hardware will rust in high salinity environments if not properly maintained as described.

LIMITED 20 YEAR RESIDENTIAL & 5 YEAR COMMERCIAL WARRANTY.
Seaside Casual offers a limited warranty (for normal use) against the structural failure of EnviroWood Furniture for up to 20 years for residential use and up to 5 years for commercial use (both warranties are from date of purchase). We further warranty our furniture to be free from manufacturer defects in material and workmanship for up to 1 year from date of purchase. Seaside will, at its discretion, repair or replace defective furniture with the same or similar product (if discontinued) at no charge. No cash refunds will be made. Shipping and handling is not covered by this warranty.

EnviroWood, although extremely durable to the elements, may fade when exposed to direct sunlight and some elements may cause staining of the furniture surface. Fading and staining are excluded from this warranty.

Stainless steel fasteners are guaranteed not to fail structurally for a period of up to 20 years for residential use and 5 years for commercial use (from date of purchase). Stainless steel may rust in certain extreme conditions if not maintained as outlined under the "EnviroWood Care and Maintenance" section. Rusting hardware or structural failure due to rusting hardware is not covered by this warranty.

Cushions are warranted to be free from manufacturing defects for 1 year. Compression of cushions is not covered by this warranty.

Commercial liners are warranted to be free from manufacturing defects for 1 year. In no event shall Seaside Casual be liable for any incidental or consequential damages, including but not limited to damage to any plants which may have been planted in the product.

This warranty does not cover the failure of products which in our opinion was caused by acts of God, accident, neglect, abuse or improper shipping or handling and is void if our care and maintenance instructions were not properly followed.

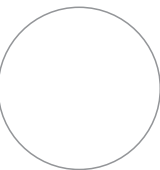

This warranty applies to EnviroWood Furniture manufactured after January 1, 1999 and applies to the original purchaser only.

LIMITED 3 YEAR RESIDENTIAL & COMMERCIAL WARRANTY FOR WOVEN PANELS AND POWDER COATED ALUMINUM FRAMES.
For details pertaining to Seaside's woven panel and aluminum frame warranty, please visit this site: <http://www.seasidecasual.com/resources/warranty.html>

Materials and Colors

EnviroWood® is available in a range of colors and offers the quality, comfort and beauty of traditional painted wood without the associated maintenance. It is crafted from recycled plastic bottles and is permeated with UV stabilized pigments.

The Java Collection

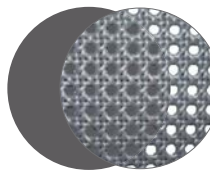

The Java Collection features a classic weave reborn with modern materials. Hand woven panels are responsibly sourced and crafted in Indonesia where the most talented and artistic weavers reside. Environmentally friendly all-weather wicker resists fading and rotting and is available in three color combinations. Whitewash, Cocoa Bean, and Slate Gray woven panels pair with White, Natural and Charcoal EnviroWood frames to create the airy and refreshing aesthetic of Java.

Woven Wicker Panels

The tap® hidden fastener system represents the next generation in bringing indoor craftsmanship to outdoor living. These custom molded plugs are made of the same UV and weather-resistant HDPE material as our furniture and are color matched and finished to blend in when installed. The tapered shape allows them to be set with a gentle “tap” without having to hold the plug in place.

Materials and Colors

MAD Fusion Balcony, Bar, Dining and Chat Chairs – Woven

MAD Fusion Balcony, Bar, Dining and the new for 2018 Woven Chat Chairs, feature three all-weather closed weave woven seat and back panels that coordinate with seven great EnviroWood® frame colors.

LIMITED 3 YEAR RESIDENTIAL & COMMERCIAL WARRANTY FOR WOVEN PANELS AND POWDER COATED ALUMINUM FRAMES. Seaside warrants woven and powder coated aluminum components against defect in material and workmanship for a period of three years. For more details pertaining to Seaside's woven panel and aluminum frame warranty, please visit this site: <http://www.seasidecasual.com/resources/warranty.html>

Cushions and Pillows

Many pieces in the Seaside Collection are available with custom tailored cushions for adding that finishing touch of comfort and style. Decorative pillows are also available to accent cushions and furniture. Our fitted cushions and accent pillows are crafted with materials from Sunbrella or Outdura, the leaders in outdoor performance fabric. These fabrics are stain, fade and water resistant, making them as tough as they are beautiful.

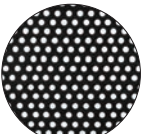

Modern Cushion Design

Cushions can be ordered with a variety of stylish and functional details. Choose from standard or welted (contrast or self) edge styles using industry leading Sunbrella and Outdura fabrics. Customize with Customer's Own Material (COM) or add special features such as ties or Velcro straps.

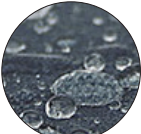

Additional enhancements for premium outdoor performance include:

NuGrip Mesh: Cushions featuring NuGrip allow moisture and water to pass through freely for improved drying times, while also creating a strong non-slip surface reducing the need for ties and straps. NuGrip comes standard on DEX and Java Deep Seating Collections and may be added to any cushion code [N]. NuGrip cushions are non-reversible.

Sunbrella Rain: Cushions featuring Sunbrella Rain fabric resist water and moisture and require venting or NuGrip to allow for the quickest dry times in the industry. Select Rain fabrics are available on all deep seating options and may be added to respective cushion code [R] and are non-reversible.

Customized Accent Pillows

Seaside offers a wide variety of fabrics, sizes and styles which combine to create an almost limitless range of design possibilities.

Choose from an assortment of grades, colors, textures and patterns. Customize and enhance pillows with welt or flange edge styles to create a truly unique expression of your taste and style.

Sunbrella Rain fabric cushions with NuGrip venting are available in the following three colors: Canvas Granite, Captain's Navy, Mineral Blue. Sunbrella's revolutionary Rain fabric repels water by expanding as soon as moisture makes contact, sealing the surface. The NuGrip vented bottom expels any incidental moisture while maintaining proper air flow throughout. NuGrip is also available by special order with standard fabric on select collections.

Cushions and Pillows

Quick Ship Cushions: Selectively stocked cushions are offered through our Quick Ship Program. These cushions typically ship in 5-8 business days. Fabric availability varies with each cushion code. See chart below for Quick Ship availability. Items below not noted as Quick Ship are available to order under our standard cushion and pillow offerings listed on page 63.

Leading by Design

At Seaside Casual we believe thoughtful attention to detail creates the best design. We produce original pieces without compromising comfort, strength or beauty. Our furniture is crafted for all environments, offering collections for any lifestyle.

10 reasons to choose Seaside.

1

MADE IN THE USA.

We began making furniture at our Rhode Island lumberyard in 1996. It started as a hobby with just one Adirondack chair. With the encouragement of our local community, we began making and selling more chairs. That single design has now grown into a collection of over 100 products.

2

ENVIROWOOD.

In 1999 we introduced EnviroWood — a 100% High Density Polyethylene (HDPE) lumber. Made from recycled plastic bottles and containers, EnviroWood is permeated with UV stabilized pigments that are consistent throughout the entire piece. The result is a smoother and more durable finish that prevents chalking and resists fading of the surface.

3

INDOOR COMFORT & STYLE.

Our lumber is milled and routed to simulate the look and feel often found in traditional wood furniture. Joints are secured using mortise and tenon joinery and edges and corners are milled on precise CNC machinery. Our easy to install tap® hidden fastener system provides a clean, furniture grade finish that enhances the overall beauty and quality of our designs. In short, we produce our outdoor collection at specifications usually applied to interior furniture.

4

STAINLESS FASTENERS.

All stainless steel fasteners are not created equal. Low grade stainless or painted components can easily corrode in harsh coastal environments. We use marine grade stainless steel (316) to ensure superior protection when exposed to the elements.

5

SOLID AS A ROCK.

Unlike molded products, our frames are constructed with HDPE lumber components that are designed to withstand temperature and load changes. Structural aluminum is used to reinforce critical frame members in key locations. The result is a product that will not tip, topple, or turn over on your patio, deck, or lawn.

6

SLATS AND SPACES.

Appropriately spaced slats are the difference between support and the feeling of “falling through” the seat or back of your chair.

7

IT ONLY HAS A GOOD SIDE.

All of our products are completely finished on all surfaces. This means all backs and seats are slatted and supported so that they look and feel great even when cushions are not in use.

8

CUSTOM UPHOLSTERY.

We offer a wide selection of custom fitted cushions made from Sunbrella and Outdura fabrics. These premium fabrics repel water, are stain resistant, and resist fading, even in the brightest of sun. The Sunbrella Rain fabric with mesh venting available on select collections is 100% waterproof and dries quickly, so you can spend more time enjoying life and less time waiting for cushions to dry.

9

TAKE IT FOR A TEST DRIVE.

We test the ergonomics of our products constantly throughout the design phase and we believe our customers should have the opportunity to do the same when making a purchase. Because of this belief, we forge relationships with retailers who offer brick and mortar showrooms. These relationships ensure the expertise that we expect and the service our customers appreciate.

10

PEACE OF MIND.

Most of our products are backed with a 20 year warranty that offer the support and commitment of a family-owned company with over 100 years in the making.
