# Modular Protective Furniture Covers

# NEW Modular Cover System

Our innovative modular cover system offers uniquely designed protective furniture covers to cover individual styles or modular styles. All styles can be joined together to cover the entire modular set, no matter what configuration.

To join styles together...

1. Zip off side panels

2. Zip covers together to desired configuration.

The (6) modular cover styles feature water resistant zippers for the side panel seams. The panels can be removed to attach the next style.

All modular covers are interchangeable and can be zipped together to create one complete unit.

*No matter the configuration, the entire modular set is covered.*

**Key:** W - Width / D - Depth / H - Height | Dia. - Diameter

### How to measure for your cover:

W = width D = depth H = height | Dia. = diameter

All protective furniture covers come with a **ONE YEAR LIMITED WARRANTY.**

### Hole vs No Hole

Use covers with **"Hole"** when umbrella is used with a table. If table does not accommodate an umbrella a **"No Hole" style is recommended.**

The velcro closure allows for the protective cover to be easily placed on and taken off without removing umbrella from table.

### How to use Storage Pouch

Fold up protective cover to size of storage pouch, make sure storage pouch is on outside of folded bundle.

Next, fold protective cover into storage pouch by turning pouch inside-out.

Use velcro closure to close storage pouch.

# Fabric Care & Cleaning Instructions

## General Information

### 100% Solution-Dyed Acrylic Fabrics:

Grades A+ and A

Includes: 

Limited warranty: 5 years against fading

### 100% Solution-Dyed Polyester Fabrics:

Grade C (Our exclusive 4800 series) 

Limited warranty: 4 years against fading

MOST STAINS ON SOLUTION-DYED FABRICS CAN BE CLEANED UP WITH A MILD SOAP AND WATER SOLUTION. Solution-Dyed fabrics should be cleaned regularly before substances such as dirt, etc., are allowed to accumulate on and become embedded in the fabric. The fabric can be cleaned without being removed from the umbrella. Simply brush off any loose dirt, etc., clean with warm water (no more than 100° F) and a mild natural soap. Rinse thoroughly to remove soap. When using liquid detergent, it may be necessary to re-apply a water repellent treatment, such as 303 Hi Tech Fabric Guard. When washing or cleaning, DO NOT SUBJECT TO EXCESSIVE HEAT as the fabric will shrink. DO NOT STEAM PRESS OR DRY IN ELECTRIC OR GAS DRYERS. Allow fabric to air dry. In case Solution-Dyed fabrics are stored during the winter season, it should be cleaned, allowed to air dry and stored in a dry, well ventilated area. For stubborn stains, please see the stain cleaning chart for more specific cleaning instructions.

### 100% Solution-Dyed Soft Olefin Fabrics:

Grade D (Our exclusive Solefin<sup>®</sup> 2400, 3400 and 3500 series)

Limited warranty: 2 years against fading

Solefin<sup>®</sup>

To keep Solefin fabric looking fresh and new it should be washed periodically with detergent and water. Most stains can and should be cleaned up immediately after they occur. If, however, a spot or stain remains, clean with a solution of warm water and a mild detergent then rinse thoroughly. If necessary, apply laundry prewash, leave in for 10 minutes and then reapply warm water and detergent. After cleaning, always rinse thoroughly with water and allow to air dry. The fabric will dry quickly because it is a naturally water repellent material.

Credit files are routinely reviewed and a current financial statement or information may be requested. We may also request assurances of your ability to pay; such request will be made in writing and we may, upon the making of such request stop production and suspend shipments. Treasure Garden Inc. reserves the right to increase, reduce, suspend or withdraw open account privileges at its sole discretion at any time without prior notification. If your account is inactive for a 12 month period, your sales volume is below the \$5,000 minimum or there is a

change in your business or credit status, your credit terms will be canceled. No additional notice will be given.

We reserve the right to hold any order from production, pending signed acceptance of the pricing on our order acknowledgement. Lead time starts once order is finalized.

#### **Freight Charges:**

The shipping charges on your invoice may differ from those on your acknowledgement. This is largely due to instability in today's fuel economy. Please understand that these charges are assessed by the carrier, not Treasure Garden Inc. These charges can sometimes include fuel surcharges, lift gate, extra delivery charges, as well as standard pallet fees (up to \$39 each), box pallet fees (\$45 each) which may or may not have been indicated on the preliminary freight quotes. The pallet fees may increase depending on the cost of these items. If the freight charges are prepaid & added to your invoice, the shipping charges may include any applicable pallet charges. To ensure the most economic freight for our customers, we compare (on your behalf) two to three different carriers before selection. If we ship your orders freight collect or 3rd party billing we will bill your company for any applicable pallet charges.

#### **Changes/Cancellations:**

No cancellations, changes, additions or holds can be accepted for an order for which materials have been specifically ordered or produced. Cancellations and/or changes of product or shipping dates on EARLY BUY orders must be received at our office within 30 days of the acknowledgement date. Cancellations and/or changes of product or shipping dates on IN SEASON and SPECIALTY orders must be received within 5 business days of the acknowledgement date. Cancellations and/or changes of product or shipping dates on TG EXPRESS orders must be received within 2 business days of the acknowledgement date. NO EXCEPTIONS. Orders that do not follow these guidelines will be charged a 25% re-stocking or handling fee. We cannot guarantee that purchase orders added to an existing order will be shipped together. If items are added to an order or an item on an order is changed, the entire order may be rescheduled as of the date of the change. This may result in a later ship date than the original order. In the event an order is refused and returned to us, a 25% restocking/handling fee may be assessed in addition to the inbound and outbound freight charges.

#### **Container Orders:**

Due to the special pricing on container orders, all containers must be prepaid via wire transfer or paid by letter of credit. The purchase of a container may also involve bank charges and other charges unrelated to the price of the product including but not limited to duties, storage, shipping and transportation charges, third party inspection charges whether inspected at point of origin, point of entry or point of delivery. Once your purchase order is sent in, we start reviewing and scheduling your order into our production schedule. It is important that you inform the Baldwin Park office of any order changes within 14 days from when your order is sent in. After reviewing your purchase order, we will mail or fax an order acknowledgement with your payment instructions.

We must be informed of any discrepancies or revisions to CONTAINER ORDERS within 14 days of sales order acknowledgment date.

No cancellations are allowed. When placing orders, please be mindful of Chinese New Year. Generally, our manufacturing schedule is tight around that time.

#### **Order Scheduling:**

Deliveries are subject to fire, storm, flood, war, rebellion, riot, strike or labor trouble, interruptions to transportation, perils of navigation, damage to factory, equipment of facilities, governmental mandates, including the exercise of acts of God, failure of our sources of supply in whole or in

part and other cause beyond our control. We shall not be liable for any damages or failure or delay in delivery due to any such causes. If possible we will attempt to ship merchandise the week of the requested ship dates. However, in order to maintain an orderly schedule, we reserve the right to schedule the merchandise to the nearest available production schedule and to ship accordingly. Our regular business days are Monday through Friday.

#### **Back Order/Partial Shipments:**

Due to the considerable amount of items we offer, we may not initially be able to ship or deliver your entire order. In such event the balance and/or entire order thereof will be back-ordered and shipped and delivered at a subsequent time or times. Standard shipping charges will apply to partial or back order shipments.

#### **Shipments:**

**ALL SHIPMENTS** - Treasure Garden Inc. shall, in the event of no routing instructions from the buyer; select a carrier, which it feels, can adequately handle each shipment.

#### **Early Buy Orders:**

Due to the special pricing and payment terms of the Early Buy order, we are unable to restrict or limit the shipping dates; you must be prepared to accept shipment of the Early Buy order at our convenience as indicated above. There is a minimum of \$5,000 for Early Buy orders. Ask your Sales Representative for details on our EARLY BUY program.

This warranty covers return freight of any warranted product only for the first year.

This warranty gives you specific legal rights and you may have other rights which vary from state to state.

## Wind Damage:

Treasure Garden highly recommends that no umbrella, regardless of size or weight, ever be left unattended in the open position. In windy conditions, it is further recommended that umbrellas be closed, removed from their base, and stored, or laid horizontally. This will reduce the risk of damage to your umbrella, furniture, and other belongings or property. To ensure stability of your umbrella, please observe proper placement, and use sufficient weight (base). This catalog contains minimum recommendations for necessary weight; but this can vary, depending on the conditions in your particular area.

**Wind Damage is NOT covered under our Limited Warranty.**

## Irregularities in Production Process:

The possibility of "Irregularities" in the product surface may occur during the production process. However, these irregularities do not reduce the quality of the product. Treasure Garden monitors every stage of production to ensure a clean and consistent appearance on every part.

## Rust:

Rust is a natural part of the aging process of all Steel or Iron based materials and is therefore NOT considered a defect. Treasure Garden Cast Iron & Steel plate bases are designed to require minimum maintenance. Bases should be kept clean. Do not let dirt build up on the bases. Cleaning with mild soap and water, and seasonal touch-up of any scratches, chips or occasional rust seepage from crevices or hidden, un-finishable surfaces inherent in some designs is all that is required. Touch Up paint in matching frame colors are available through your retail dealer. Never leave bases standing in water. To keep your bases looking their best, you may wish to store them when not in use for an extended period of time.

**THE SELLER DISCLAIMS ANY IMPLIED WARRANTY  
OF MERCHANTABILITY.**

**Note:** Frame and fabric colors, patterns and textures represented within these catalog pages may vary slightly from the actual frame colors and fabric swatches; please refer to actual samples in the Treasure Garden Frame Kit and Swatch Book.
