2021 OUTDOOR COLLECTION

OUTDOOR LIVING

Escape, Unplug, Connect

25 years ago, we combined our passion for great design with our appreciation of sustainable craftsmanship, to create a collection of furniture that can embrace the changing seasons of our Rhode Island climate. Stylish, modern and comfortable outdoor classics that withstand harsh New England environments including salt, wind, sun, and snow.

Our furniture is designed with high standards of durability because your outdoor living area should not be a place to maintain, prepare to use, or pack up and stow-away. Outdoor furniture should not be one more thing you have to take care of, it should take care of you.

If 2020 has taught us anything, it is that our porches, patios, decks, and yards should be a welcoming sanctuary, a safe place to escape from our daily routine, unplug ourselves from the social network, and connect... with nature, our families, ourselves.

This past year has been unique and challenging, requiring us all to develop tools that enable us to think and act in new ways to best take care of those around us. Collaboration, creativity, and perseverance fueled the Seaside Casual Team through this journey, and we look forward to using those tools to take care of you in 2021.

2021

Brings New Additions & Endless Possibilities

Each new season provides an opportunity to look back and take stock of what has come before. We have the luxury to evaluate our collections and identify the best directions to grow and build our line, offering fresh new looks on classic designs, and bold new directions that open up new spaces for Seaside Casual Furniture to fill.

For 2021 we think we have done just that, with a new stylish and flexible dining collection, more color and customization options than ever before, along with much requested updates to our existing collections.

The Greenwich Collection (top right) combines a classic and timeless design language with a modern and modular flair. The Parson style Greenwich Dining Table seats six comfortably in a small footprint, while the The Greenwich Dining Chairs feature a deep and wide sit with three unique and stylish back designs to make it your own.

2-Tone Unlimited (bottom right). More colors, more combinations, and more style await in 2021! Mix or match frame and slat colors across a wide selection of some of our most popular designs. 2-Tone brings a much requested level of personalization to these Seaside classics.

The HIP Dining Side Chair (page 12). The HIP Collection is adding a new member to its stylish Mid-Century Modern family. The HIP Side Chair adds versatility to this iconic outdoor dining collection, offering more flexibility in seating arrangements.

EnviroWood® Premium Expansion (top left). From Adirondack to Wickford and points in between, we've combined our most popular Premium EnviroWood® finishes with many of our timeless designs. These beautiful colors can be paired with 2-Tone and Fusion customizations, paving the way for new and exciting outdoor living solutions.

The Aura Fire Table Dining Height Riser (page 12). Taking Aura to new heights, this 6" Dining Riser easily attaches to the base opening up new possibilities for entertaining and relaxing around the Aura's spacious table top and alluring fire feature.

DEX & Cambridge Furniture Clips (see product index). Small and clever, these clips can keep your Cambridge Sectional and DEX Modular deep seating configurations in line. Designed to be easily attached and removed as often as desired.

Seaside is celebrating our **25th Anniversary** in 2021.
We look forward to sharing even more exciting news throughout the upcoming year.

Colors & Materials

EnviroWood® Standard & Premium Colors

Offering the quality, comfort and beauty of traditional painted wood without the associated maintenance, EnviroWood® is crafted from recycled plastic bottles and is permeated with UV stabilized pigments. EnviroWood® Premium Wood-Tone Colors offer a textured, multi-toned finish, that provides a natural and sophisticated look and feel. All EnviroWood® is made from recycled HDPE bottle and jugs and is particularly suited to the harshest of outdoor elements with the lowest amount of maintenance possible.

All-Weather Woven Panels

HDPE resin wicker with UV stabilized colors and Polyester Nylon Rope with an HDPE Core are woven into beautiful patterns that provide soft comfort. Made to last in the harshest outdoor settings with little to no maintenance, they are the perfect match for EnviroWood® or Powder Coated Aluminum frames.

Powder Coated Aluminum Colors

Polyester powder coated aluminum frames stand up to the harshest environments. Available in four finishes across select products from the MAD and HIP Collections, they combine beautifully with EnviroWood® EnviroWood® Premium, and Woven slat and panel options.

Design & Sustainability

Outdoor Living without Compromise

Our design philosophy centers around a belief that outdoor furniture should not have to sacrifice comfort and style for durability. EnviroWood's eco-friendly, low maintenance benefits combined with our attention to detail, ensures that Seaside Casual Furniture remains strong and beautiful for a lifetime.

H Hidden Fasteners

Seaside Casual has developed multiple methods of concealing fasteners in many of our designs. From pocket screws to hidden brackets to the tap® system, we take every measure to ensure that we provide indoor furniture style and craftsmanship for outdoor living.

O Fusion

Flexible fast and fun, Fusion provides ease in customization with an array of color and material selections. All-Weather Woven and EnviroWood® slats, panels and tops can be mixed with aluminum and EnviroWood® frames by simply selecting a color/material option for each frame/base, then slat/top/panel followed by the product SKU to create a 7-digit code for easy ordering. Fusion items are shipped in two boxes.

2 2-Tone (New for 2021)

Now it is easy to create unique color combinations for many of our most popular items. Mix or match frame and slat colors using any of the EnviroWood® color selections available for that product. Order using frame/base color code followed by slat/top code, followed by the product SKU to create a 7-digit code. 2-Tone items are made to order and usually ship in a single box.

P Premium Wood-Tone Finishes

Made using the same high-quality recycled HDPE as standard EnviroWood®, Premium colors include a multi-tone and textured finish that brings a natural wood-like appearance to many of Seaside's most popular designs. Natural grain patterns combine with Seaside's solid structural construction to create a real wood look, unmatched in it's class.

A Commitment to Sustainability and Growth

Our twelve acre, 100,000 square foot facility provides the template for sound environmental stewardship. We have reduced and reclaimed thousands of tons of corrugated cardboard, wood debris and other recyclable material, previously moved into the waste stream. We also work on efficiencies that have already dropped our utility consumption by double digits, and we will continue to work on responsible energy conservation in the years to come.

Made in the USA

More than just a slogan, manufacturing in the US is a commitment we make to our customers and employees and to the communities they thrive in. Our domestic production enhances our ability to respond to customer needs and special requests, and allows us to contribute to the sustainability and growth of both our natural and national economies.

EnviroWood®

Made using high-quality recycled HDPE (high density polyethylene), our HDPE is sourced primarily from milk jugs and bottles, reducing solid waste at landfills. Each linear foot of a 2" x 6" plastic board contains 3.2 pounds of recycled material making EnviroWood® one of the most durable, maintenance free and earth friendly materials used for outdoor furniture.

	<p>[C699910] EnviroWood® Outdoor Furniture Cleaner Heavy Duty Formula With Mildew Stain Remover 32 oz. per Bottle Weight: 14 (Case only, 6 Bottles per case.) Available exclusively through authorized Seaside Casual Dealers</p>	CARE & MAINTENANCE
	<p>[C699911] MultiClean® Outdoor Furniture & Fabric Cleaner Multi-Use Formula With PTFE 32 oz. per Bottle Weight: 14 (Case only, 6 Bottles per case.) Available exclusively through authorized Seaside Casual Dealers</p>	CARE & MAINTENANCE

Care & Maintenance

Seaside Casual Furniture is extremely low-maintenance but does require occasional cleaning and care. In addition to hosing off salt water on exposed metals, EnviroWood® and Outdoor Fabrics should be cleaned of dirt, grime and mildew from time to time. Seaside produces specially formulated cleaning products that help to keep your outdoor furniture beautiful and last longer. Available exclusively through Seaside Casual authorized dealers.

MultiClean® Outdoor Furniture & Fabric Cleaner
Multi-Use Formula With PTFE
Specially formulated for both EnviroWood® outdoor furniture and fabrics, MultiClean is the recommended cleaner for all cushions and pillows from the Seaside catalog. In addition to it's cleaning properties, MultiClean also contains PTFE, a compound that adds a protective seal to outdoor surfaces.

EnviroWood® Outdoor Furniture Cleaner
Heavy Duty Formula With Mildew Stain Remover
Designed specifically to remove tough stains from EnviroWood® and other outdoor furniture. This all surface cleaner is ideal for the toughest dirt and mildew stains and helps to maintain the beauty of Seaside Casual Furniture.

RINSE

REFRESH

RELAX

Exposed metal surfaces and hardware, as salt from coastal air and water can accumulate over time.

Furniture surfaces and fabrics with a mild soapy mixture and a soft scrub brush as needed.

You're all done. Enjoy your furniture!

Product Warranties

Seaside Casual EnviroWood® Furniture 20 Year Residential and 5 Year Commercial Limited Warranty
Seaside Casual offers a limited warranty (for normal use) against the structural failure of Envirowood Furniture for up to 20 years for residential use and up to 5 years for commercial use (both warranties are from date of purchase*). We further warranty our furniture to be free from manufacturer defects in material and workmanship for up to 1 year from date of purchase. Seaside will, at its discretion, repair or replace defective furniture with the same or similar product (if discontinued) at no charge. No cash refunds will be made. Shipping and handling is not covered by this warranty. Envirowood, although extremely durable to the elements, may fade when exposed to direct sunlight and some elements may cause staining of the furniture surface. Fading and staining are excluded from this warranty. This warranty applies to Envirowood Furniture manufactured after January 1, 1999 and applies to the original purchaser only.

Coastline Collection Limited 10 Year Residential & 5 Year Commercial Limited Warranty
Seaside Casual offers a limited warranty (for normal use) against the structural failure of EnviroWood Furniture for up to 10 years for residential use and up to 5 years for commercial use (both warranties are from date of purchase* for Coastline Collection products. We further warranty our furniture to be free from manufacturer defects in material and workmanship for up to 1 year from date of purchase*. Seaside will, at its discretion, repair or replace defective furniture with the same or similar product (if discontinued) at no charge. No cash refunds will be made. Shipping and handling is not covered by this warranty. EnviroWood, although extremely durable to the elements, may fade when exposed to direct sunlight and some elements may cause staining of the furniture surface. Fading and staining are excluded from this warranty

Powder Coated Aluminum Frames 3 Year Limited Warranty
The finish on exposed Powder Coated Aluminum Frames is warranted against peeling, cracking or blistering for a period of 3 years from the date of purchase*. Blistering and oxidation of finishes due to damage caused by scratches, dents, power washing and dings are not covered by this warranty. This warranty does not cover the failure of products which in our opinion were caused by acts of God, accident, neglect, abuse or improper shipping or handling and is void if our care and maintenance instructions were not properly followed.

Commercial Liners 1 Year Limited Warranty
Commercial liners are warranted to be free from manufacturing defects for 1 year from date of purchase* for residential and commercial use. In no event shall Seaside Casual be liable for any incidental or consequential damages, including but not limited to damage to any plants which may have been planted in the product.

Stainless Steel Fasteners 20 Year Residential and 5 Year Commercial Limited Warranty
Stainless steel fasteners are guaranteed not to fail structurally for a period of up to 20 years for residential use and 5 years for commercial use from date of purchase*. Stainless steel may rust in certain extreme conditions if not maintained as outlined under the "Envirowood Care and Maintenance" section. Rusting hardware or structural failure due to rusting hardware is not covered by this warranty.

Cushions and Pillows 1 Year Limited Warranty
Cushions are warranted to be free from manufacturing defects for 1 year for residential and commercial use from date of purchase*. Compression of cushions is not covered by this warranty. Although our cushions are water resistant they are not water proof and will absorb water in certain conditions. We advise that you shelter cushions in rainy conditions to avoid extended drying times. This warranty does not cover the failure of products which, in our opinion was caused by acts of God, accident, neglect, abuse or improper shipping or handling and is void if our care and maintenance instructions were not properly followed.

Woven Components 3 Year Limited Warranty
Seaside Casual warrants that under normal use and proper care, Resin Wicker and Nylon Rope products are designed to withstand fading, weathering and aging for 3 (three) years from date of purchase*. Color pigmentation can affect the color consistency of Resin Wicker products, so there may be slight color variations between production batches which does not fall under warranty consideration. This warranty does not cover the failure of products which in our opinion was caused by acts of God, accident, neglect, abuse or improper shipping or handling and is void if our care and maintenance instructions were not properly followed.

Fire Pit Table Components
The fire components used in fire pit tables, including Crystal Fire® burners, ignitions, electronics, and glass guards, are under the Outdoor Great Room Company warranty, please reach out to Seaside Casual or the Seaside Casual retailer from whom you purchased your fire pit table for warranty information. Specific details are available via this link: <https://www.outdoorrooms.com/product-support/warranties>

*Proof of purchase required for all warranty claims.

Cushions & Pillows

Modern Cushion Design

Cushions can be ordered with a variety of stylish and functional details. Choose from standard or welted (contrast or self) edge styles using industry leading Sunbrella and Outdura fabrics. Customize with Customer's Own Material (OOM) or add special features such as ties or Velcro straps. Additional enhancements for premium outdoor performance include:

NuGrip Mesh: Cushions featuring NuGrip allow moisture and water to pass through freely for improved drying times, while also creating a strong non-slip surface reducing the need for ties and straps. NuGrip comes standard on the DEX Deep Seating Collection and may be added to any cushion code [N]. NuGrip cushions are non-reversible.

Sunbrella Rain: Cushions featuring Sunbrella Rain fabric resist water and moisture and require venting or NuGrip to allow for the quickest dry times in the industry. Select Rain fabrics are available on all deep seating options and may be added to respective cushion code [R] and are non-reversible.

Outdoor Fabrics

Many pieces in the Seaside Collection are available with custom tailored cushions for adding that finishing touch of comfort and style. Decorative pillows are also available to accent cushions and furniture. Our fitted cushions and accent pillows are crafted with materials from Sunbrella or Outdura, or TempoTest, the leaders in outdoor performance fabric. These fabrics are stain, fade and water resistant, making them as tough as they are beautiful.

Customized Throw Pillows

Seaside offers a wide variety of fabrics, sizes and styles which combine to create an almost limitless range of design possibilities. Choose from an assortment of grades, colors, textures and patterns. Customize and enhance pillows with welt or flange edge styles to create a truly unique expression of your taste and style.

Solids & Textured Solids, Grades C-F (cont.)

Stripes & Patterns, Grades C-F (cont.)

10 reasons to choose Seaside.

1

MADE IN THE USA.

We began making furniture at our Rhode Island lumberyard in 1996. It started as a hobby with just one Adirondack chair. With the encouragement of our local community, we began making and selling more chairs. That single design has now grown into a collection of over 80 products.

2

ENVIROWOOD.

In 1999 we introduced Envirowood — a 100% High Density Polyethylene (HDPE) lumber. Made from recycled plastic bottles and containers, Envirowood is permeated with UV stabilized pigments that are consistent throughout the entire piece. The result is a smoother and more durable finish that prevents chalking and resists fading of the surface.

3

INDOOR COMFORT.

Our lumber is milled and routed to simulate the look and feel often found in traditional wood furniture. Joints are secured using mortise and tenon joinery and edges and corners are milled on precise CNC machinery. In short, we produce our outdoor collection at specifications usually applied to interior furniture.

4

STAINLESS FASTENERS

All stainless steel fasteners are not created equal. Low grade stainless or painted components can easily corrode in harsh coastal environments. We use marine grade stainless steel (316) to ensure superior protection when exposed to the elements.

5

SOLID AS A ROCK.

Unlike molded products, our frames are constructed with HDPE lumber components that are designed to withstand temperature and load changes. Structural aluminum is used to reinforce critical frame members in key locations. The result is a product that will not tip, topple, or turn over on your patio, deck, or lawn.

6

SLATS AND SPACES.

Appropriately spaced slats are the difference between support and the feeling of “falling through” the seat or back of your chair.

7

IT ONLY HAS A GOOD SIDE.

All of our products are completely finished on all surfaces. This means all backs and seats are slatted and supported so that they look and feel great even when cushions are not in use.

8

CUSTOM UPHOLSTERY.

We offer a wide selection of custom fitted cushions made from Sunbrella and Outdura fabrics. These premium fabrics repel water, are stain resistant, and resist fading, even in the brightest of sun.

9

TAKE IT FOR A TEST DRIVE.

We test the ergonomics of our products constantly throughout the design phase and we believe our customers should have the opportunity to do the same when making a purchase. Because of this belief, we forge relationships with retailers who offer brick and mortar showrooms. These relationships ensure the expertise that we expect and the service our customers appreciate.

10

PEACE OF MIND.

Our products are backed with a 20 year warranty that offer the support and commitment of a family-owned company with over 100 years in the making.
